

Dear members,

a few weeks ago we submitted a survey to you regarding the possibility of alternating the organization of our annual endurance race "Memorial Giovanni Coroni" with a different race than usual, effectively creating an alternation between the Memorial Giovanni Coroni and this "Special" Grand Prix".

By a very large majority the choice fell on the organization of "Special" Grand Prize that we have named

GRAND PRIX R/C TICINO 2024

1 date, 1 night, 2 races!!!

All registered drivers will compete:

- 2 qualifications
- 2 finals (GP1)
- 1 Long Run final (GP2)

In the following table some more details:

Category no.	Real Fun 2	F1	FWD	TC 13.5	STD
